

Care and Support in a Nurturing Environment

Good Orderly Direction Home Care Services caters to clients with special needs throughout greater Toledo and surrounding areas.

Services provided include:

- 24 hour supervised home care assistance
- On-site and off-site daily skills training and recreation
- Employment assistance

Our facility offers clients an opportunity to participate in a number of activities, individually and/or in a group setting, facilitated by our trained staff whose fundamental belief is to be very patient and courteous. We promote a fun, healthy, and therapeutic environment for all of our clients.
